Dear Parent/Carer,

LEAF Fishing Excursion

As a part of the LEAF programme, a fishing trip has been organised to Burns Fishery, Tarbolton, Ayrshire on **Monday 27th March 2017**.

Pupils should meet in the street area at 8.45am to be registered and will be transported by minibus to the fishery. They will be returned back to school in time for the school buses at 3.30pm. Transport will be provided by LEAF and Universal Connections who will also be leading the excursion. Consent forms containing medical information will be shared with the LEAF staff and taken with them on the day, in case of emergencies.

Pupil expectations

While on the excursion, pupils must ensure the safety of themselves and the whole group. They are representatives of the school and must behave in a safe and responsible manner and follow all instructions.

How you can help

I would ask you to reinforce expectations and return the completed consent form as soon as possible, certainly before the day of the excursion. Please contact me at the school if you have any further queries.

Yours sincerely,

Alastair Gray
Depute Head Teacher
