Dear Parent/Carer,

U.E.S. Excursion

An essential element of the Uniformed and Emergency Services qualification, which is being delivered by New College Lanarkshire, is a team work day out. Therefore, an excursion to 'The Experience', in Hillington, Glasgow, has been arranged for **Monday 27th March 2017**. Pupils will be involved in laser tag, kart maintenance and go karting activities. Consent forms containing medical information will be shared with the college staff and taken with them on the day, in case of any emergencies.

Pupils should meet in the street area at 8.45am to be registered and will be transported to college as per usual. They will be returned back to school in time for the school buses at 3.30pm. Pupils should bring a **packed lunch** with them as it will not be provided.

Pupil expectations

While on the excursion, pupils must ensure the safety of themselves and the whole group. They are representatives of the school and must behave in a safe and responsible manner and follow all instructions.

How you can help

I would ask you to reinforce expectations and return the completed consent form as soon as possible and certainly before the day of the excursion. Please contact me at the school if you have any further queries.

Yours sincerely,

Alastair Gray
