Dear Parent/Carer

My priority as Head Teacher is to ensure that Lesmahagow High School continues to strive for excellence based on our strong school values of **aspiration, respect, compassion, honesty and fairness**. I know how vital working in partnership with parents really is, in order for children to find school a positive and rewarding experience. I strongly believe achievement and enjoyment go hand in hand to ensure each child's excellent progress. I hope you will support our high expectations in all areas, especially in behaviour and achievement.

As we continue to develop our young people for the world of work, we are keen to place a strong emphasis on school uniform and are seeking your child's view and your parental view over the next week in relation to this matter. We want to find out if our uniform still meets the needs of the school and the local community.

Uniform sends a very clear message about a school to young people, their families and to the wider community. We believe that Lesmahagow High School is a great school with great young people and we would like to see a uniform that continues to reflect that.

I have visited our associated primaries to seek the views of our P6/7 young people along with the views of the parents. In addition, we are keen to hear from all Lesmahagow High School parents as part of our uniform consultation. I would appreciate your opinion by completing the parental questionnaire available at <http://www.lesmahagow.s-lanark.sch.uk/parents/> by **Monday, 29th May**. Paper copies are available from the school office.

In the meantime, please do not hesitate to get in touch if you have any questions.

Yours sincerely
