Dear Parent/Carer

P7/S1 Open Afternoon

Although the new school session has just started, many parents will already be thinking about the move to High School in August 2018. We firmly believe in the positive educational experiences offered by Lesmahagow High School and wish to enable our prospective parents to capture the atmosphere of the school so that they may make an informed decision about the next stage of their child's schooling.

Therefore, I would like to warmly invite you to our open afternoon on **Thursday 14th September 2017 at 2.15pm**. As this is during the school day, it will give you the opportunity to see, at first hand, what education is like for young people at our school. You will be given a tour of the building, which will allow you to visit a variety of departments, meet staff, experience the delivery of the curriculum, see some of our pupils at work with their teachers and witness the high standards expected of every young person. There will also be an opportunity to meet with the Senior Management Team who will be able to answer any questions that you may have.

I would be very grateful if you could complete the form overleaf and return it to me via the school office by Monday 11th of September to indicate if you are able to attend. We very much look forward to welcoming you to our school.

Yours sincerely,
