Date: 15 January 2018

Dear Parent/Carer,

Senior Phase Assessments – January 2018

Our Senior Phase assessments will take place from Tuesday, 16th January – Friday, 26th January, 2018 (inclusive). During this time, students must attend on the days when they have exams. Please find attached the calendar which shows when each exam will take place. Seat numbers and rooms will be confirmed on the pupil noticeboard in the Street area on the day of each exam. Full school uniform must be worn by pupils at all times when they are within the school for study or assessments.

Students have also been provided with their current SQA transcript for the 2018 exam diet, which gives their candidate number and lists the levels/units they are currently entered for. This will help students to identify the exams they should attend in the January assessments. If any student is unsure of the exam arrangements for their subjects, they should check with their teacher or the Principal Teacher of the subject. Practical exams will also be arranged outwith the January assessment period. Details of these exams will be provided by subject departments. Please also note, assessments will take place in January for National 3 and National 4 students as well as National 5, Higher and Advanced Higher courses.

Students were provided with advice on study skills at assemblies in October. A copy of our study skills booklet is available on the school website at the following web address: <https://goo.gl/2oQfKK> Support will also continue to be available from staff for all students throughout the assessment period.

We would also like to encourage students to take advantage of the many additional learning opportunities offered by staff, which help to support students when they are preparing for exams. The timetable of our current additional learning opportunities is also attached.

Please let me know if you have any questions about these arrangements. Thank you for your continued support.

Yours sincerely,

Barbara A. Lee
