Dear Parent/Carer

Vision and Values

Our school community consultation to refresh our shared vision and values is now complete. We received a fantastic response from all our pupils, parents, staff and partners. Many thanks to everyone who got involved in this whole school consultation process.

I was delighted to launch our new vision and values at our annual Prize Giving Ceremony earlier this month.

Our new shared vision and values from August 2018 will be:

Vision: 'Aspire to be our best'
To empower learners with the skills to succeed and realise their true potential.
Values: Respect | Honesty | Ambition | Resilience | Equity
