Dear Parent/Carer

We were all deeply saddened to hear the tragic news that one of our former pupils, Jack Frame, has died in a road traffic crash.

Jack was a friendly and enthusiastic young person and we feel privileged to have had the opportunity to have been a part of his life. Our thoughts and prayers are with his mum, dad, family and friends.

Our immediate focus in school is to offer support and guidance for our pupils and staff. When coping with bereavement it is important to talk to the young people and to take time to listen to how they feel. Our staff will be doing this and we will receive valuable support from colleagues from Psychological Services.

You may wish to take some time to talk to your young person at home about how they are feeling and we have further information sheets available in school that you may find helpful.

We will continue to offer support to our pupils, along with our colleagues from Psychological Services, over the coming weeks, as required. If you would like any further support with how you can help your young person to come to terms with their loss, please contact Pupil Support at the school.

Thank you for your continued support.

Yours sincerely

A handwritten signature in black ink that reads 'R McGowan'.
