Dear Parent/Carer,

### **Senior Phase Raising Attainment Evening**

A 'Senior Phase Raising Attainment' evening will take place on Tuesday, 26<sup>th</sup> February, from 6 pm – 7.30 pm, when students and their parents will have the opportunity to hear from staff and students in our Street area about study advice, how to achieve the best results in S4/5/6 and supports available. Parents of current S3 students are also welcome to attend to hear more about Senior Phase courses.

As part of the Raising Attainment evening, information will also be available for parents/carers of S4/5 students about courses available for 2019-20 at course choice presentations in our school library. Parents of S4 students are invited to attend the presentation at 6.15 pm and parents of S5 students are invited to attend at 6.45 pm. Information on Foundation Apprenticeship opportunities for new S5 students will also be available.

We would also like to invite students to participate in our 'Spring Break Study School' which will take place from Monday 1<sup>st</sup> – Wednesday 3<sup>rd</sup> April 2019 within the school. This is an excellent opportunity for students to come into the school to complete supervised study and to attend revision classes in a variety of subjects. The proposed timetable is attached.

We would also like to remind students of the opportunities available to them within the school to support their learning between now and the beginning of the SQA exam diet. A timetable of our additional learning opportunities is attached and we would like to encourage all students to attend as many of these opportunities as possible.

Thank you for your continued support.

Yours sincerely,

*Barbara A. Lee*
