Dear Parent/Carer,

Senior Phase Update – April 2019

Senior phase students received an updated copy of the data that SQA currently hold for the subjects they are studying and a final copy of their personalised exam timetable at assembly today. Students with Additional Assessment Arrangements have already been issued with personalised timetables from Mrs Laird and should return their reply slip to Mrs Laird to confirm these arrangements. Students have been asked to check their SQA information carefully and to let Miss Lee know if anything is incorrect. Any student with questions about Additional Assessment Arrangements should speak to Mrs Laird. The full SQA timetable can be viewed at www.sqa.org.uk/timetable Please note: some exams take place on Friday afternoons and the May holiday weekend.

Study leave for all S4-S6 pupils will run from Thursday, 25th April until Thursday, 30th May 2019 (inclusive). Throughout this time, students must attend on the days when they have SQA exams. They may also attend revision classes or come into school for support and advice from their teachers and to complete unfinished assessments. Please note that students must wear full school uniform when they are in school. Students who do not have timetabled exams are invited to attend master classes to help them to prepare for their studies in the new session. The timetable for our revision classes and master classes can be found overleaf.

In March, students received a copy of a booklet from SQA, which gives information about how to prepare for exams, what happens on exam days and results day and also gives a card for them to record their Scottish Candidate Number, which can be taken into the exam hall. In addition, students received a leaflet about signing up to receive their exam results by text message or email on exam results day (Tuesday, 6th August). Spare copies are available from the School Office or on the school website.

Our S6 Graduation takes place on Thursday, 30th May, from 9.30 – 11 am, in the Games Hall. S6 students can invite two guest to this event. We look forward to welcoming S6 students and their guests to this event.

Our Induction day for students returning for S5 and S6 will take place on Friday, 31st May, when students will have the opportunity to collect their new timetable and to participate in a range of activities to help them to prepare of the new academic year. Our new timetable will then begin on Monday, 3rd June 2019.

Students who are leaving school in May/June 2019 must collect a Leaver's form from the School Office once all coursework has been completed and after their last exam. Completed forms should be returned to Mr Gray.

Please let me know if you have any questions about these arrangements. Thank you for your continued support.

Yours sincerely,

Barbara A. Lee
