

Martin Aerospace LTD

Job Title:	Modern Craft Apprenticeship
Role Type:	4 Year Contract, shift based
Reporting to:	Shop-floor Supervisor
Date Prepared:	03/02/2020

Application process is now open for this apprenticeship programme.

All applicants must apply to EKGTA, EKGTA will then carry out interviews and aptitude tests and help match applicants with an employer. Applicants should let EKGTA know they are interested in an Apprenticeship with Martins.

EKGTA then send each employer a 'pool' of candidates who meet the required criteria and Martins will then select who to interview.
