Dear Parent/Carer,

Some reassuring communication from Lesmahagow High School, to let you know that contact with us still very much remains open, and as such transition planning in the virtual sense will continue to take place as we move forward.

Please continue to share with us any information that you feel to be relevant, as this informs the transition planning that will occur for us; ensuring that we are in the best possible position to support the needs of each, and every one of our young people come August.

We will remain in contact with our links at Primary Schools to ensure we have all of the necessary educational transition information required, and as soon as we are able, will reinstate a programme of physical transition and social opportunities for all.

Our school website and twitter feed have lots of information about Lesmahagow High School generally, however, if you have any specific questions please do not hesitate to contact us. We have also attached information that will allow you to download the school app for parents/carers and in the coming weeks will update the Primary 7 area of this with transition information. Please add and follow us on twitter (@LesmahagowHigh) and keep checking our school website (www.Lesmahagow.s-lanark.sch.uk) for updates.

Yours sincerely,

David Robertson
