Pupil Support and Support for Learning Update

Dear Parent/Carer

In light of the recent events, I would like to reassure you that as well as having staff to contact regarding young people's learning, Support for Learning and Pupil Support Staff will also be available if you have any concerns regarding your child's wellbeing or have any general educational concerns.

Contact can be made by calling the school office during school hours or by contacting staff directly via their email address. All Extended Leadership Team email addresses can be found on our website under the 'Contact Us' tab - <http://www.lesmahagow.s-lanark.sch.uk/contact-us/contactelt/>

Young people who need support or advice over the coming weeks and months can contact the school or complete the Treat Me Well Form found on our website and school App. A link to this form is provided: <https://forms.gle/kxWjXqo1rXkXQeAi9>

The school will continue to share advice and information on mental health and supports during the school closure for families to use if required. Do not hesitate to contact us if you have any concerns or require any advice or support.

Kindest regards,

David Robertson
