Pupil Support and Support for Learning	S1	<p>Help needed from S1's!!</p> <p>Sadly, we now have lots of P7 pupils who are going to miss out on all their transition and preparation days for coming up to Lesmahagow High School. Many P7 will cope with this ok, but for others this will leave them very worried and anxious. To help with this please could you:</p> <p>Write a letter to the Primary 7's including things like:</p> <ul style="list-style-type: none"> <li>. Dear Primary 7's...</li> <li>. Think back to what was worrying you before you came up to High School and try to explain why they don't need to be concerned about these things</li> <li>. Tell them a bit about S1 – the things that you have enjoyed-favourite subjects, new friends, extra-curricular events, merit events etc.</li> <li>. You can be light-hearted and funny in the letter-and I know you will be kind and considerate in the things you say about what happens in the school and the people in it.</li> <li>. You can put in illustrations to go along with the letter if this is something you like to do. If you are really not keen on writing, you could even just do some illustrations instead.</li> <li>. Please include your name and what primary you came from so that the pupils can see support from all over the LHS community. They may even know you which could be a great help to them.</li> </ul> <p>I intend to collate all you letters/illustrations into a booklet( or possible different ones for each primary) that can then go out to the primary 7's- especially to those who I already know will be needing this kind of support from you. Please send anything you have done to <a href="mailto:gw07lairdhazel2@glow.sch.uk">gw07lairdhazel2@glow.sch.uk</a></p> <p>Thank you for your help with this.</p> <p>Mrs Laird</p>

Pupil Support and Support for Learning	<b><u>New S6 (current S5)-Volunteers wanted!</u></b>	<p>All S6 take on the role of buddies, an essential part of the S6 role within wider school. However, at the moment, I am looking for volunteers to be <b>superbuddies</b></p> <p><b><u>What is a superbuddy?</u></b> These are S6 pupils who link with an S1 pupil daily (for 5 minutes during tutor time) for the first 3 weeks of S1. Those pupils who need this are particularly anxious, will find it extra difficult to transition to High School or who just need a good role model.</p> <p><b><u>Why ask Now?</u></b></p>

		<p>I would like to match volunteers with a P7 asap so that (i) I can try to make a link with your superbuddy now, when they are at home, to help reassure them pupils and staff at the High School are thinking about them (ii) we have this support network ready to start as soon as we get back- remember these pupils will not have had all the transition support they would usually have had!</p> <p><b><u>Why be a superbuddy?</u></b>  You will be helping someone who needs it and contributing to the support our school offers.  You will be learning valuable skills.  It can build up time for Working with Others, Youth achievement etc  It's good for your CV, UCAS statement and interviews.</p> <p><b><u>What to do</u></b>  E mail me directly <a href="mailto:gw07lairdhazel2@glow.sch.uk">gw07lairdhazel2@glow.sch.uk</a>. Tell me in a couple of sentences why you would like to do this. Let me know what primary school you went to.  This is something you can do now to make a difference and show commitment to the school!  Thank you!</p>
English	National	<ol style="list-style-type: none"> <li>1. Complete your Added Value Unit. This can be accessed via Glow and Google Documents. Ensure you share this with your teacher.
