Pupil Support and Support for Learning	<b><u>New S6 (current S5)- Volunteers wanted!</u></b>	<p>All S6 take on the role of buddies, an essential part of the S6 role within wider school. However, at the moment, I am looking for volunteers to be <b>superbuddies</b></p> <p><b><u>What is a superbuddy?</u></b></p> <p>These are S6 pupils who link with an S1 pupil daily (for 5 minutes during tutor time) for the first 3 weeks of S1. Those pupils who need this are particularly anxious, will find it extra difficult to transition to High School or who just need a good role model.</p> <p><b><u>Why ask Now?</u></b></p> <p>I would like to match volunteers with a P7 asap so that (i) I can try to make a link with your superbuddy now, when they are at home, to help reassure them pupils and staff at the High School are thinking about them (ii) we have this support network ready to start as soon as we get back- remember these pupils will not have had all the transition support they would usually have had!</p> <p><b><u>Why be a superbuddy?</u></b></p>
