Dear Parent/Carer/Pupil

First of all, I would like to take this opportunity to thank you all for your continued support and kind words over the past few months. It has been an unusual time for us all but we are proud of how everyone has pulled together and shown fantastic community spirit.

As we near the end of term, it is important that we follow the relevant process for a smooth transition for all young people from school to their next destination. In order to do this, all pupils leaving must complete the online leavers form which can be found on our website and a link to the form is provided below. This enables us to acquire information on pupils next destinations and contact details in case we need to contact them for any reason.

We are also working on securing a grace period for pupils Glow email accounts so that they are able to easily contact their Pupil Support teacher or member of SMT if they need to, once they have officially left school. Pupils should have access to this up until the end of August.

We will also be processing refunds via ParentPay for school events which were not able to take place. This will include monies paid for Senior Prom. I know your young person will be disappointed that they were unable to have the send-off we had planned but we remain hopeful that we will be able to invite pupils back, when it is safe to do so, for a formal farewell.

We thank all young people for their understanding at this time. I would like to mention that we are buoyed by weekly stories of pupils receiving offers from university, college, employment, etc as well as stories of ways they are supporting others during this pandemic. We have a wonderful group of pupils who are an asset to our school community and it has not gone unnoticed.

We would like to wish all pupils all the best for the future and we hope to see them all soon.

Yours Sincerely,

A handwritten signature in black ink that reads 'D Robertson'.
