GradU8 College Update

Dear Pupils and Parents/Carers,

I hope this letter finds you well.

As you will be aware from our previous correspondence, all GradU8 college courses were postponed this week to allow colleges to plan and arrange online learning. The college have successfully managed to do this for all courses with the exception of the construction programme.

For all courses with the exception of construction, online learning will commence on **Monday 18th January**. College lecturers will contact pupils directly via their Glow email account to set up these sessions. The college are preparing resource kits for some of the practical classes (Beauty, Make Up Artistry, Hair & Barber) and they are in the process of arranging for these to be delivered to pupils homes. They will let the relevant pupils know of the delivery date of these items through their Glow email.

Please encourage your young person to check their Glow inbox regularly for this information. If any pupil has difficulty accessing online learning, please let the school know and we will contact the college.

Pupils who attend the construction programme, should follow their normal Monday timetable and complete any extension work for classes during periods assigned for college or complete their Youth Achievement tasks which can be found in their College Google Classroom.

Please contact me on the email below if you have any concerns.

gw10robertsondavid8@glow.sch.uk

Yours sincerely,

D Robertson
