

## Lesmahagow High School

### READINESS TO LEARN FROM HOME (Senior Phase Students)

#### PARENT/CARER INFORMATION LEAFLET – HELPFUL HINTS

Within Lesmahagow High School, on-line learning will take place using Google Classroom.

Your child has been shown how to access Google Classroom by their class teachers. They have been shown where to find their tasks, how to communicate with their teacher and how to upload their work. If your child has any difficulty accessing Google Classroom at home, please see the information below.

To access your child's Google Classrooms, they should go to <https://glow.rmunify.com/> and use the Class Codes shared with you by email. Year group Google Classrooms will also be used to share information to all pupils. If logging on from a phone, your child's password will be the same, but it is necessary to change the ending of their Glow email address to @sl.glow.scot

Where possible, your child should follow their 'winter timetable' and focus on four subjects each day. When following the 'even week' timetable, this will be their period 1, 2, 4 and 6 classes. When following the 'odd week' timetable, this will be their period 1, 3, 5 and 7 classes. Pupils will follow the 'even week' timetable in the week beginning 11<sup>th</sup> January, the 'odd week' timetable in the week beginning 18<sup>th</sup> January and the 'even week' timetable in week beginning 25<sup>th</sup> January 2021.

Teachers will upload work to Google classrooms ready for pupils to access on each school day. Your child's class teachers will be available to answer questions during the school day via email or Google Classroom. Responses may not be instant, but they will try to respond as quickly as possible.

If you have any additional questions, you should contact the school office at [office@lesmahagow.s-lanark.sch.uk](mailto:office@lesmahagow.s-lanark.sch.uk), your child's Pupil Support Teacher or any member of the Senior Management Team who will be happy to help.
