S1-S3: Broad General Education

Subject	Year Group	Classwork / resources
Craft Club	All	Mrs Forbes has created a Google Classroom to invite you to participate in a craft project and to share the crafts you are working on. The class code is at the end of the document emailed to parents and pupils and is also available from teachers, PTs and the school office.
Virtual Book Club	All	Ms Rowan has created a Virtual Book Club to allow students to discuss what they have been reading. All pupils are invited to join via the Google classroom.
Pupil Support: Study Skills	All	See Google Classroom (codes available from class teachers/PTs/office).
Numeracy	S2	<p>IDL numeracy is a computerised programme to support your maths. It's fun, interactive and can help recap and revise lots of maths you might have found tricky.</p> <p>Some information sessions have been set up for parents to support the use of IDL at home. Click here for some tips and advice.</p> <p><u>If you are not enrolled with IDL</u></p> <p>Send Mrs Laird an email and she will add you to the list and then send you details of how to log on. gw07laird hazel2@glow.sch.uk</p>

		<p><u>Existing IDL PUPILS (LITERACY)</u></p> <p>1. If you have a log in for IDL Literacy already then you log in the same way and you will be able to do the maths as well.</p> <p>You can access the web based version of the IDL intervention by visiting: https://appuk.idlsgroup.com/#/login and logging in with your IDL account details.</p> <p>Please ensure you are using the <u>Google Chrome browser</u> - this is the only browser compatible with the IDL programme.</p> <p>Your user-name and password for IDL have not changed; simply log in to your account in the usual way.</p> <p>2. By pressing the 'Numeracy ' button, you will get a “test” first time (the test is on the programme). The test will stop you after 3 consecutive mistakes or 5 in total and then when you click on Numeracy you will get appropriate lessons for you.</p> <p>3. You can access the IDL app by searching for & downloading "IDL2 Mobile" on the App Store or Play Store.</p> <p>4. Let me know if you are having difficulties and I will try to help. gw07lairdhazel2@glow.sch.uk</p>
Support for Learning	Selected pupils from S1/3	<p><u>Some ideas for resources you can use for working at home</u></p> <p>The addressing dyslexia website has lots of great links on it for pupils with dyslexia and also for those of you who may find some of the other work being posted quite difficult.</p> <p>http://addressingdyslexia.org/supporting-children-and-young-people-home-covid-19</p> <p>These other sites are good for supportive/interesting lessons</p> <p>https://www.bbc.co.uk/teach/live-lessons</p>

		<p>www.doorway.org.uk</p> <p>Don't forget to use you IDL code to access this resource if the school has already registered you. You can work on this using Google Chrome.</p> <p>(i) Put- IDL home- into the search area (this will take you to the IDL log in page) or google idlsgroup.com</p> <p>(ii) Go to log in at the top.</p> <p>(iii) Username : YOUR SURNAMESfL123@ML110FS (0 is a zero) Eg SmithSfL123 Password: You should know this.</p> <p>You should see your name and be able to pick up where you left off last session. Please get in touch if you have any problems with your IDL or you need help with any of the other work.</p>
SCHOLAR Subjects	S3	<p>S3 students may find access to SCHOLAR courses useful in preparing for National 5 courses in Biology, Chemistry, English Maths, Physics, French and German.</p> <p>To access resources for National 5 SCHOLAR courses in for the next 28 days, a temporary username and password can be used, which is available from the school office/teachers/list of course codes emailed to parents.</p>
