

Lesmahagow High School – Week Beginning 8th February Learning at Home – Information for S1-S6 Students

Learning at home materials can be accessed via Glow or Show My Homework.

Usernames and passwords have previously been issued to pupils.

If any pupil has any difficulty in accessing these resources or requires their Glow password reset, please contact the School Office, Pupil Support or any member of the Senior Management Team. Email addresses are on the school website at the following link:

<http://www.lesmahagow.s-lanark.sch.uk/contact-us/contactelt/>

A website has been developed by South Lanarkshire Council to support home learning:

<https://sites.google.com/sl.glow.scot/slcremotelearning/home>

To access Glow, use the following link: <https://glow.rmunify.com/>

For more information on accessing Glow, please see: <https://glowconnect.org.uk/help-with-glow/glow-launchpad/accounts-and-passwords/logging-into-glow/>

For advice on video conferencing, please see:

<https://sites.google.com/sl.glow.scot/continuity-of-learning/digital-support-devices/video-conferencing-guides>

Show My Homework can be accessed using the following link:

<https://www.satchelone.com/login?subdomain=lesmahagow&userType=student>

S1-S3: Broad General Education

Subject	Year Group	Classwork / resources
Craft Club	All	Mrs Forbes has created a Google Classroom to invite you to participate in a craft project and to share the crafts you are working on. The class code is at the end of the document emailed to parents and pupils and is also available from teachers, PTs and the school office.
Virtual Book Club	All	Ms Rowan has created a Virtual Book Club to allow students to discuss what they have been reading. All pupils are invited to join via the Google classroom.
Pupil Support: Study Skills	All	See Google Classroom (codes available from class teachers/PTs/office).
PSE	1M	No Meet on Tuesday
	2M1	No Meet on Wednesday
	2M2	Meet on Friday: Group 1 10.50am Group 2 11.10am Group 3 11.40am Group 4 12.10pm Check Google Classroom to see which group you are in.
	3M	No Meet this Friday: Please check the Google Classroom for the links to the BBC iPlayer videos recommended by Mr Mallaghan

Numeracy	S1/S2	<p>IDL numeracy is a computerised programme to support your maths. It's fun, interactive and can help recap and revise lots of maths you might have found tricky.</p> <p>Some information sessions have been set up for parents to support the use of IDL at home. Click here for some tips and advice.</p> <p><u>If you are not enrolled with IDL</u></p> <p>Send Mrs Laird an email and she will add you to the list and then send you details of how to log on. gw07lairdhazel2@glow.sch.uk</p> <p><u>Existing IDL PUPILS</u></p> <ol style="list-style-type: none"> 1. If you have a log in for IDL Literacy already then you log in the same way and you will be able to do the maths as well. <p>You can access the web based version of the IDL intervention by visiting: https://appuk.idlsgroup.com/#/login and logging in with your IDL account details.</p> <p>Please ensure you are using the <u>Google Chrome browser</u> - this is the only browser compatible with the IDL programme.</p> <p>Your user-name and password for IDL have not changed; simply log in to your account in the usual way.</p> <ol style="list-style-type: none"> 2. By pressing the 'Numeracy ' button, you will get a “test” first time (the test is on the programme). The test will stop you after 3 consecutive mistakes or 5 in total and then when you click on Numeracy you will get appropriate lessons for you. 3. You can access the IDL app by searching for & downloading "IDL2 Mobile" on the App Store or Play Store. 4. Let me know if you are having difficulties and I will try to help. gw07lairdhazel2@glow.sch.uk
----------	-------	---

	S1	<p>If you are finding the general work on the S1 maths google classroom very difficult then you may want to use the S1 supported maths google classroom.</p> <p>Contact the maths dept, or Mrs Story gw20storymorag@glow.sch.uk or Mrs Laird gw07laird hazel2@glow.sch.uk and we can organise to invite you. Some pupils have already been asked to join this.</p>
Support for Learning	Selected pupils from S1/3	<p><u>Some ideas for resources you can use for working at home</u></p> <p>If you have not already got your invitation</p> <p>You can ask for a code for the SfL google classroom (contact Mrs Laird) You can ask for the code for paired reading (contact Mrs Laird)</p> <p>The addressing dyslexia website has lots of great links on it for pupils with dyslexia and also for those of you who may find some of the other work being posted quite difficult.</p> <p>http://addressingdyslexia.org/supporting-children-and-young-people-home-covid-19</p> <p>These other sites are good for supportive/interesting lessons</p> <p>https://www.bbc.co.uk/teach/live-lessons</p> <p>www.doorway.org.uk</p>

		<p>Don't forget to use you IDL code to access this resource if the school has already registered you. You can work on this using Google Chrome.</p> <p>(i) Put- IDL home- into the search area (this will take you to the IDL log in page) or google idlsgroup.com</p> <p>(ii) Go to log in at the top.</p> <p>(iii) Username : YOUR SURNAMESfL123@ML110FS (0 is a zero) Eg SmithSfL123 Password: You should know this.</p> <p>You should see your name and be able to pick up where you left off last session. Please get in touch if you have any problems with your IDL or you need help with any of the other work.</p>
SCHOLAR Subjects	S3	<p>S3 students may find access to SCHOLAR courses useful in preparing for National 5 courses in Biology, Chemistry, English Maths, Physics, French and German.</p> <p>To access resources for National 5 SCHOLAR courses in for the next 28 days, a temporary username and password can be used, which is available from the school office/teachers/list of course codes emailed to parents.</p>

Please continue for Senior Phase

**Lesmahagow High School – Week Beginning 8th February
Learning at Home – Information for S4-S6 Students**

Senior Phase Classes

In addition to Google Classroom, Show My Homework and SQA resources, Senior Phase students studying subjects supported by SCHOLAR may also wish to access these resources.

The following subjects are covered by SCHOLAR. The materials encompass ALL the relevant SQA content, activities, end of topic tests and recorded tutor sessions to improve pupil attainment.

- National 5 – Biology, Chemistry, Computing, English, Mathematics and Physics.
- Nat 5 Support Materials in French and German.
- Higher: Business Management, Chemistry, Computing Science, English, French, German, Human Biology, Mathematics, Physics, and Psychology.
- Advanced Higher: Biology, Business Management, Chemistry, Computing Science, English, French, German, Mathematics and Physics

Pupils no longer need their username and password for SCHOLAR. They should log into GLOW and click on the SCHOLAR tile

on either their Launchpad or the school  Launchpad. This will log pupils into SCHOLAR and load their personal profile of Subjects.

S4-S6: Senior Phase

Subject	Year Group	Classwork / resources
My World of Work	New S5 and S6	A range of free on-line courses to support the development of skills for learning, life and work can be found at the following link: https://www.myworldofwork.co.uk/learn-and-train/find-free-online-courses These courses provide a great opportunity to develop your CV too!
Craft Club	All	Mrs Forbes has created a Google Classroom to invite you to participate in a craft project and to share the crafts you are working on. The class code is at the end of the document emailed to parents and pupils and is also available from teachers, PTs and the school office.
Virtual Book Club	All	Ms Rowan has created a Virtual Book Club to allow students to discuss what they have been reading. All pupils are invited to join via the Google classroom.
Working with Others	S5 and S6	See Google Classroom – joining code available from class teachers/PTs/office and in the document sent to parents and pupils.)
Youth Achievement Awards	S5 and S6	See Google Classroom – joining code available from class teachers/PTs/office and in the document sent to parents and pupils.) Youth Achievement Challenges should be self-directed so pupils should be actively working on completing their current challenge. If they do not know what to do or have completed a challenge and do not know what their next challenge is they MUST CONTACT THEIR TEACHER ON A LIVE GOOGLE MEET to get help. Please note that Google Meets will be

		available every time pupils are timetabled to have YAA. Please also check the stream in Google classroom on the days you are due to be in class for any additional messages.
GradU8 College and Foundation Apprenticeship Courses	S4-S6	Any pupil involved in the GradU8 college or FA courses will be contacted directly by their lecturer with information and instructions regarding online learning. Pupils should attend their college/FA class at the normal times. Any additional time that is allocated throughout the week should be used to complete college/FA work or engage in catch-up sessions or extension tasks for subjects.
Pupil Support: Study Skills	All	See Google Classroom (codes available from class teachers/PTs/office). Resources on study skills and exam stress are included.
PSE	4M PSE	No Meet this Monday but get in touch anytime if you want to talk over options or anything else..
	5M PSE	No Meet this week but get in touch anytime if you need to speak about work, options, etc
	Mr Robson's S6 PSE class	No Meet this week but please get in touch if you need to speak about college applications, interviews etc.
English		
English	National	There is an individual Google Classroom for each class. Your class teacher will post all materials and resources. Work will be posted there for each of the periods in the week you are timetabled to have English. Please check the Stream and the Classwork section for your lessons each day. Learning at Home - Week Beginning: 08/02/21 1. Scottish Set Text - Morgan Poetry Lessons this week will focus on the next Scottish Set Text poem. You will be working on your understanding, analysis and evaluation of the new poem in the lessons. This will include continuing with annotation of the poem and working on analysis of the text.

		Specific details for each period, along with all necessary resources will be in Google Classroom.
English	Higher	<p>There is an individual Google Classroom for each class. Your class teacher will post all materials and resources.</p> <p>Work will be posted there for each of the periods in the week you are timetabled to have English.
