## S1-S3: Broad General Education

| Subject                      | Year Group | Classwork / resources  |
|------------------------------|------------|--|
| Craft Club                   | All        | Mrs Forbes has created a Google Classroom to invite you to participate in a craft project and to share the crafts you are working on. The class code is at the end of the document emailed to parents and pupils and is also available from teachers, PTs and the school office.   |
| Virtual Book Club            | All        | Ms Rowan has created a Virtual Book Club to allow students to discuss what they have been reading. All pupils are invited to join via the Google classroom.  |
| Pupil Support: Study Skills  | All        | See Google Classroom (codes available from class teachers/PTs/office).   |
| Skills, Subjects and Careers | S2         | <p>On Monday 1st March, the University of Glasgow will be delivering 2 very useful sessions online:</p> <p>*** Skills, Subjects and Careers @ 10 am - 11 am ***<br/>           This will show you the links between school and post-school options, focusing on the different skills and careers to which specific school subjects can lead to.</p> <p>*** Subject Choice @ 1 pm - 2 pm ***<br/>           This will help you make informed subject choices and will introduce you to the entry requirements for different college and university courses.</p> <p>&gt; Normally the University of Glasgow tutors would visit the school and we would take pupils out of class, but for now, you'll join the sessions at the times above INSTEAD OF their normal Google Classrooms on Monday.</p> |

|          |       |  |
|----------|-------|--|
|          |       | > Pupils will be emailed the link to join these meetings 5 minutes before they start but Miss Iqbal will also post the link on the S2 year group Classroom. Pupils should ensure they are logged into Glow.  |

Please continue for Senior Phase

**Lesmahagow High School – Week Beginning 1st March 2021**  
**Learning at Home – Information for S4-S6 Students**

### Senior Phase Classes

In addition to Google Classroom, Show My Homework and SQA resources, Senior Phase students studying subjects supported by SCHOLAR may also wish to access these resources.

The following subjects are covered by SCHOLAR. The materials encompass ALL the relevant SQA content, activities, end of topic tests and recorded tutor sessions to improve pupil attainment.

- National 5 – Biology, Chemistry, Computing, English, Mathematics and Physics.  
- Nat 5 Support Materials in French and German.
- Higher: Business Management, Chemistry, Computing Science, English, French, German, Human Biology, Mathematics, Physics, and Psychology.
- Advanced Higher: Biology, Business Management, Chemistry, Computing Science, English, French, German, Mathematics and Physics

Pupils no longer need their username and password for SCHOLAR. They should log into GLOW and click on the SCHOLAR tile

 on either their Launchpad or the school  Launchpad. This will log pupils into SCHOLAR and load their personal profile of Subjects.
