

Lesmahagow High School – Week Beginning 15th March 2021 Learning at Home – Information for S1-S6 Students

Learning at home materials can be accessed via Glow or Show My Homework.

Username and passwords have previously been issued to pupils.

If any pupil has any difficulty in accessing these resources or requires their Glow password reset, please contact the School Office, Pupil Support or any member of the Senior Management Team. Email addresses are on the school website at the following link:
<http://www.lesmahagow.s-lanark.sch.uk/contact-us/contactelt/>

A website has been developed by South Lanarkshire Council to support home learning:
<https://sites.google.com/sl.glow.scot/slcremotelearning/home>

To access Glow, use the following link: <https://glow.rmunify.com/>

For more information on accessing Glow, please see: <https://glowconnect.org.uk/help-with-glow/glow-launchpad/accounts-and-passwords/logging-into-glow/>

For advice on video conferencing, please see:
<https://sites.google.com/sl.glow.scot/continuity-of-learning/digital-support-devices/video-conferencing-guides>

Show My Homework can be accessed using the following link:
<https://www.satchelone.com/login?subdomain=lesmahagow&userType=student>

S1-S3: Broad General Education

| Subject | Year Group | Classwork / resources |
|-----------------------------|------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Craft Club | All | Mrs Forbes has created a Google Classroom to invite you to participate in a craft project and to share the crafts you are working on. The class code is at the end of the document emailed to parents and pupils and is also available from teachers, PTs and the school office. |
| Virtual Book Club | All | Ms Rowan has created a Virtual Book Club to allow students to discuss what they have been reading. All pupils are invited to join via the Google classroom. |
| Pupil Support: Study Skills | All | See Google Classroom (codes available from class teachers/PTs/office). |
| PSE | 1M | For information about the week ahead from now on, please see our Google Classroom on Monday mornings. FR :) |
| | 2M1 | For information about the week ahead from now on, please see our Google Classroom on Monday mornings. FR :) |
| | 2M2 | For information about the week ahead from now on, please see our Google Classroom on Monday mornings. FR :) |
| | 3M | For information about the week ahead from now on, please see our Google Classroom on Monday mornings. FR :) |
| Numeracy | S1/S2 | IDL numeracy is a computerised programme to support your maths. It's fun, interactive and can help recap and revise lots of maths you might have found tricky. |

Some information sessions have been set up for parents to support the use of IDL at home. [Click here](#) for some tips and advice.

If you are not enrolled with IDL

Send Mrs Laird an email and she will add you to the list and then send you details of how to log on. gw07laird hazel2@glow.sch.uk

Existing IDL PUPILS

1. If you have a log in for IDL Literacy already then you log in the same way and you will be able to do the maths as well.

You can access the web based version of the IDL intervention by visiting: <https://appuk.idlsgroup.com/#/login> and logging in with your IDL account details.

Please ensure you are using the **Google Chrome browser** - this is the only browser compatible with the IDL programme.

Your user-name and password for IDL have not changed; simply log in to your account in the usual way.

2. By pressing the 'Numeracy ' button, you will get a "test" first time (the test is on the programme). The test will stop you after 3 consecutive mistakes or 5 in total and then when you click on Numeracy you will get appropriate lessons for you.
3. You can access the IDL app by searching for & downloading "IDL2 Mobile" on the App Store or Play Store.
4. **Let me know if you are having difficulties and I will try to help.** gw07laird hazel2@glow.sch.uk

|----------------------|---------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | S1 | <p>If you are finding the general work on the S1 maths google classroom very difficult then you may want to use the S1 supported maths google classroom.</p> <p>Contact the maths dept, or Mrs Story gw20storumorag@glow.sch.uk or Mrs Laird gw07laird hazel2@glow.sch.uk and we can organise to invite you. Some pupils have already been asked to join this.</p> |
| Support for Learning | Selected pupils from S1/3 | <p><u>Some ideas for resources you can use for working at home</u></p> <p>If you have not already got your invitation</p> <p>You can ask for a code for the SfL google classroom (contact Mrs Laird) You can ask for the code for paired reading (contact Mrs Laird)</p> <p>The addressing dyslexia website has lots of great links on it for pupils with dyslexia and also for those of you who may find some of the other work being posted quite difficult.</p> <p>http://addressingdyslexia.org/supporting-children-and-young-people-home-covid-19</p> <p>These other sites are good for supportive/interesting lessons</p> <p>https://www.bbc.co.uk/teach/live-lessons</p> <p>www.doorway.org.uk</p> <p>Don't forget to use you IDL code to access this resource if the school has already registered you. You can work on this using Google Chrome.</p> |

| | | |
|-------------------------|----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | <p>(i) Put- IDL home- into the search area (this will take you to the IDL log in page) or google idlsgroup.com</p> <p>(ii) Go to log in at the top.</p> <p>(iii) Username : YOUR SURNAMESfL123@ML110FS (0 is a zero) Eg SmithSfL123 Password: You should know this.</p> <p>You should see your name and be able to pick up where you left off last session. Please get in touch if you have any problems with your IDL or you need help with any of the other work.</p> |
| SCHOLAR Subjects | S3 | <p>S3 students may find access to SCHOLAR courses useful in preparing for National 5 courses in Biology, Chemistry, English Maths, Physics, French and German.</p> <p>To access resources for National 5 SCHOLAR courses in for the next 28 days, a temporary username and password can be used, which is available from the school office/teachers/list of course codes emailed to parents.</p> |
| English | | |
| English | S1 | <p>There is an individual Google Classroom for each class - 1K1, 1K2, 1M, 1L. Work will be posted there for each of the periods in the week that you are timetabled to have English. Please check the Stream and the Classwork section for your lessons and materials.</p> <p>Learning At Home - Week Beginning:15/03/21</p> <ol style="list-style-type: none"> 1) "Freak the Mighty" - class novel. Chapter 1 and 2. Understanding and Analysis tasks.. 2) First News <p>No</p> <p>Specific details for these lessons, along with all necessary resources will be in Google Classroom.</p> |
| English | S2 | <p>There is an individual Google Classroom for each class - 2K, 2M1, 2M2, 2L. Work will be posted there for each of the periods in the week that you are timetabled to have English. Please check the Stream and the Classwork section for your lessons and materials.</p> |

Please continue for Senior Phase

**Lesmahagow High School – Week Beginning 15th March 2021
Learning at Home – Information for S4-S6 Students**

Senior Phase Classes

In addition to Google Classroom, Show My Homework and SQA resources, Senior Phase students studying subjects supported by SCHOLAR may also wish to access these resources.

The following subjects are covered by SCHOLAR. The materials encompass ALL the relevant SQA content, activities, end of topic tests and recorded tutor sessions to improve pupil attainment.

- National 5 – Biology, Chemistry, Computing, English, Mathematics and Physics.
- Nat 5 Support Materials in French and German.
- Higher: Business Management, Chemistry, Computing Science, English, French, German, Human Biology, Mathematics, Physics, and Psychology.
- Advanced Higher: Biology, Business Management, Chemistry, Computing Science, English, French, German, Mathematics and Physics

Pupils no longer need their username and password for SCHOLAR. They should log into GLOW and click on the SCHOLAR tile  on either their Launchpad or the school  Launchpad. This will log pupils into SCHOLAR and load their personal profile of Subjects.

S4-S6: Senior Phase

| Subject | Year Group | Classwork / resources |
|---------------------|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| My World of Work | New S5 and S6 | A range of free on-line courses to support the development of skills for learning, life and work can be found at the following link: https://www.myworldofwork.co.uk/learn-and-train/find-free-online-courses These courses provide a great opportunity to develop your CV too! |
| Craft Club | All | Mrs Forbes has created a Google Classroom to invite you to participate in a craft project and to share the crafts you are working on. The class code is at the end of the document emailed to parents and pupils and is also available from teachers, PTs and the school office. |
| Virtual Book Club | All | Ms Rowan has created a Virtual Book Club to allow students to discuss what they have been reading. All pupils are invited to join via the Google classroom. |
| Working with Others | S5 and S6 | See Google Classroom – joining code available from class teachers/PTs/office and in the document sent to parents and pupils.) |

| | | |
|------------------------------------------------------|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | |
| Youth Achievement Awards | S5 and S6 | See Google Classroom – joining code available from class teachers/PTs/office and in the document sent to parents and pupils.) Youth Achievement Challenges should be self-directed so pupils should be actively working on completing their current challenge. If they do not know what to do or have completed a challenge and do not know what their next challenge is they MUST CONTACT THEIR TEACHER ON A LIVE GOOGLE MEET to get help. Please note that Google Meets will be available every time pupils are timetabled to have YAA on a drop-in basis. Please also check the stream in Google classroom on the days you are due to be in class for any additional messages. Pupils should update their teacher each time they add material to their challenge folders/virtual jotters. They should do this via their YAA daily check in Google form. |
| GradU8 College and Foundation Apprenticeship Courses | S4-S6 | Any pupil involved in the GradU8 college or FA courses will be contacted directly by their lecturer with information and instructions regarding online learning. Pupils should attend their college/FA class at the normal times. Any additional time that is allocated throughout the week should be used to complete college/FA work or engage in catch-up sessions or extension tasks for subjects. |
| Pupil Support: Study Skills | All | See Google Classroom (codes available from class teachers/PTs/office). Resources on study skills and exam stress are included. |

| | | Class notes will be issued when pupils are in school. The class powerpoint will be uploaded to google classroom for pupils to read through before attending school lessons. |
| Human Biology | Higher | <p>Pupils will spend the week working on Topic 5.</p> <p>Pupil booklets will be given out in class and the powerpoint will be uploaded to google classroom.</p> <p>Pupils who are at home should read through the powerpoint and ensure they complete their booklet (when they receive it).</p> <p>And <i>if possible</i> pupils who are at home, should join a google meet to watch a live stream of the lesson - pupils should open the powerpoint from google classroom and listen to the live explanation.</p> |
| Biology | AH | <p>Please see Google Classroom.</p> <p>We will be continuing with Unit 2 Key Area 5 -Parasitism. Narrated lessons and activities will be posted each day you are scheduled to attend Biology. Please use any remaining time you have to consolidate your learning from Unit 1 and Unit 3 materials.</p> |
| Chemistry | National | <p>See Google Classroom (codes available from class teachers/PTs/office)</p> <p>Next week we will do some general revision/past paper work in preparation for your return to school week beginning 15th March. We won't start topic 11 until you're back!</p> <p>Paper copies of the booklet for topic 10 are available to uplift form the school office..</p> |
| Chemistry | Higher | <p>See Google Classroom (codes available from class teachers/PTs/office)</p> <p>Class teacher will do mainly Google Meet live lessons at the usual class time but will sometimes provide pre-recorded lesson material if live lessons are not going to be possible for the class members or the teacher. Pupils should check into the classroom at the start of every Chemistry period where they can and follow the instructions from there.</p> <p>The class are currently working on Unit 3 material. We are on section 3d (Redox Chemistry). End of unit 2 assessments (originally scheduled for January) will be re-scheduled , date TBC, for when we are back in the school building and pupils should continue to revise for this. The topic by topic past papers (in Google Classroom) and SQA marking schemes for these are advised as the most useful preparation for this).</p> |

| Art | National/ Higher/ AH | Please see Google Classroom for all instructions and message your teacher on Google classroom if you have any questions. Send us pictures of your work using the instructions on Google Classroom. |
| Drama | National/ Higher/ AH/NPA Musical Theatre | Please see Google Classroom for all instructions. All pupils will have set tasks to complete each week in the time when they would usually be in Drama. Pupils can submit their work via Google Classroom or by emailing their work to Miss Clark at gw18clarkelizabeth@glow.sch.uk Pupils have the option to complete their work electronically or by hand. If work is completed by hand then we ask that all pupils take a photograph of their work using a phone or tablet and send it to their teacher. Pupils can message their teacher via Google Classroom or email if they have any question. If you require printed resources please contact your teacher. All online resources and websites will be posted in the Google Classroom. |
| Music | National/ Higher/ AH/ NPA Perf/ NPA Musical Theatre | See Google Classroom. If you require printed resources please contact your teacher. All online resources and websites will be posted in the Google Classroom. It is crucial that all levels practice instruments at home to ensure programmes are completed and that you have recordings of all of your pieces that are of a good quality to use as evidence. You may submit for marking and then resubmit after you have had feedback to improve your mark. Copies of music are available via Google Classroom if they have instruments at home. |
