## HPV Immunisation Day – Monday, 10<sup>th</sup> May 2021

Dear Parent/Carer,

The HPV campaign will begin after the Easter Break for all Lanarkshire schools. We have been allocated **Monday, 10<sup>th</sup> May** for the School Immunisation Team to visit Lesmahagow High School and administer the vaccinations to all S1 and S2 pupils, and girls from S3-6 who have missed their immunisation in previous years.

All S1 pupils were issued a consent form when they attended school on the week beginning Monday, 29<sup>th</sup> March 2021. This should be returned to the **school office** on the first week we after the Easter Break. If for whatever reason your child was unable to collect their consent form, please encourage them to collect it from the office the next time they attend.

In order to receive the vaccination, all S1 pupils must return their signed consent form. If any student fails to do so, the Immunisation Team will invite them to complete a blank consent form on the immunisation day and contact a parent/carer to assist with the completion of the form.

Our Lead Nurse, Carol Anne Hammond, is also happy to speak with parents of S1 pupils who do not receive a consent form or who have a health enquiry. Please contact me on the email address provided if you require her contact details.

All children are reminded to eat breakfast and wear a short sleeve shirt / t-shirt on the immunisation day.

Please contact the school if you have any questions or concerns.

Yours sincerely,

David Robertson
