Lesmahagow High School

Dressing for Success

Dressing for Success

In Lesmahagow High School we strive to achieve high standards in all that we do. School uniform is an important way of reinforcing this.

Wearing our uniform can:

- help pupils to see school as a place of learning;
- instil pride in the school and contribute to its value;
- contribute to school security and personal safety;
- promote a positive and professional work ethic;
- encourage identity with, and support for, school ethos;
- promote equality of opportunity and social justice; and
- protect children and young people from social pressures to dress in a particular, fashionable or expensive way.

Our Uniform

Our uniform was formulated following consultation with pupils, parents and staff. We understand tensions can arise in homes when young people show disregard for their school's uniform. We also understand the pressure placed on parents to buy their children expensive items of clothing to wear to school in order for the child to feel that they "fit in".

Having a partnership approach between home and school can help youngsters to resist such pressures and develop their understanding of school as a place for learning and work, rather than a place to impress friends and socialise. School uniforms are an economical and practical solution that take away the debate about what to wear to school.

Our Uniform

- White shirt/blouse;
- School tie (red and black/ senior/ international);
- Plain black V-neck jumper or cardigan without logos;
- Black trousers/black skirt;
- School blazer, with option of braiding for S6;
- Plain black footwear (including laces); and
- P.E. kit (white, red or black t-shirt, black shorts).
