Dear Parent/Carer

**Industrial Action – Local Government Trade Unions**

On Friday 3 November 2023, an agreement was reached which has enabled the planned strike action by members of Unison on Wednesday, 8 November 2023 to be called off. Local Authorities were informed late in the afternoon of this development.

**All local authority nursery classes, primary schools, ASN establishments and bases, secondary schools and early years establishments will therefore be open as normal on Wednesday 8 November.**

We appreciate that this has been an inconvenient time for families and thank you for your continued support.

Yours sincerely

A handwritten signature in cursive script that reads 'Barbara A. Lee'.
