Please help us to look after our environment– remember the importance of reducing, repairing, reusing and recycling!

P Windfarm Connect2 Renewables Employability Fund – S4-S6 pupils

The following information about the Windfarm Connect 2 Renewables Employability Fund has been shared with S4-S6 pupils and posted in S4-S6 Google Classrooms:

Due to your proximity to the Kype Muir and Middle Muir windfarms, if you plan on leaving at the end of this school year, you could be entitled to up to £500 (if going to college/university) or £200 if going into employment/apprenticeship. This is a grant payment that does not need to be paid back. The only real requirement is that you live within the required postcode areas.

I would encourage you all to apply if eligible - it is free money that could be really useful as you start your post-school journey.

To apply, you really just need to complete a form - but you won't receive the money until you start college/university as they will need to see your student card. You can make enquiries now though by contacting: connect2renewables@southlanarkshire.co.uk or telephone 0800 9520 070

P Homework

P EMA – S5/6

EMA application forms can be downloaded from the South Lanarkshire Council website. On the Council website, click on 'Education and Learning', then 'Secondary School Information', then 'Education Maintenance Allowance'. If you need any help with this, please see Mr Robertson or your Pupil Support Teacher. It is your responsibility to complete and send the application form.

When you receive an award letter with your EMA number on it, bring this to Mr Robertson who will then issue a copy of the Learning Agreement to be signed by your teachers and Parent/Carer. You should then return the completed Learning Agreement to Mr Robertson and the school office will then process your EMA.

Only when you have completed all of the above will the payment process begin. Please see Mr Robertson if you have any questions about EMA.
